

MEMBERSHIP APPLICATION

We are a non-profit organization, formed in November 1973 to encourage the collection and preservation of genealogical records for and about Ashtabula County and surrounding areas. Meetings are held the fourth Wednesday of each month from March to November. Members learn about genealogy, how to conduct family genealogical research, preserve genealogical records and much more!

Membership benefits...

ACGS members receive the "ANCESTOR HUNT", a quarterly publication. This publication contains genealogical material relating to Ashtabula County and surrounding areas, research sources, society activities, queries, computer users' interests, as well as suggestions for extending members' genealogical research. Members also may post free queries in the "Ancestor Hunt", receive discounts on copying service and publications plus have access to extensive genealogical material, educational workshops, and much more!
